Bookings

As our workshop holidays have limited availability, early booking is strongly recommended! To finalize your booking, a 50% deposit must be paid in advance. Payments can be made via bank transfer or PayPal. After you have submitted your booking request, we will send you more information about payment.

Closing date for registration: March 1, 2024

We will let you know on this date whether the cooking workshop holiday will go ahead. If it does, and there are still places available, you can of course still book after this date. We need a minimum of 6 people for the cooking workshop. If there are too few registrations, the workshop will be cancelled, but you can still use the room. We can always offer you an alternative programme. Or, if you decide not to come, we will refund the amount you paid to your account.

Important: If you want to book a flight and car before the closing date, we recommend that you take out cancellation insurance as it is impossible to say in advance whether we will have the minimum number of participants and whether the workshop week will definitely take place. Check whether this falls under the cancellation conditions of your insurance.

General workshop cancellation policy:

Cancellations made before the above workshop holiday closing dates will be fully refunded. Cancellations made after the closing dates will not be refunded, unless you can find someone to take your place and they pay in full: then you will be fully refunded.

Liability Statement:

Upon arrival, you will be required to sign a waiver of liability for recreational activities.
